

## Reception Baseline Assessment (RBA) On Tuesday 21st

September Miss Barnes will be completing baseline assessments with our new reception children. The purpose of the assessment is to provide the starting point for a new measure that will help parents understand how well schools support their pupils to progress between reception and year 6 / the end of key stage 2. **General Health** As if the ongoing covid pandemic isn't enough, we are unfortunately seeing an increase in upset tummies in school. The North Yorkshire sickness policy (which we have adopted) states that children must not attend school until 48 hours have passed since their last bout of illness so please do adhere to this rule and keep your children at home to stop the spread of germs. We've also had a couple of cases of impetigo in school so again, children must remain at home until any legions have crusted over. Thank you.

**Flu vaccination** On Wednesday 13th October the childhood immunisation team will be in school vaccinating the children against flu. You will need to go online to give consent <https://www.hdft.nhs.uk/fluconsent/> I strongly recommend that you take this opportunity to protect your child given the concerns that health experts have surrounding the possible increase in flu cases this Autumn/Winter.

**Eggs for sale** In more cheerful news, our chickens are now happily laying eggs regularly so if you would like some eggs they are on sale for £1 per half dozen.

**Welcome back Mr Corner** We welcomed Mr Corner back to school today following his paternity leave. I am sure that Class 3 will enjoy having Mr Corner back and hope that he soon gets into his new routine!

**And finally...PTFA AGM** It is our PTFA AGM this Wednesday at 7:30pm via Zoom. Please click on the blue link to join us. [PTFA Meeting](#)
