

Tummy Bugs As if the ongoing covid pandemic isn't enough, we are unfortunately seeing an increase in upset tummies in school. The North Yorkshire sickness policy (which we have adopted) states that children must not attend school until 48 hours have passed since their last bout of illness so please do adhere to this rule and keep your children at home to stop the spread of germs. Thank you.

Reception Baseline Assessment (RBA) Over the next couple of weeks Mrs Evans will be completing baseline assessments with our new reception children. The purpose of the assessment is to provide the starting point for a new measure that will help parents understand how well schools support their pupils to progress between reception and year 6 / the end of key stage 2.
