

Harvest Festival We are delighted to invite parents to our Harvest Festival on Friday 8th October at 2.45pm in the school hall. This

will be our first mass gathering of adults in school for a long time so please do not attend if you have any covid symptoms. If you would like to attend and would prefer to wear a face mask, that would be fine. This year, as in recent years, we will be asking parents for a donation of non-perishable goods which we will then donate to local charities. Please can any donations be brought into school in the week beginning 4th October so that we can make a display of the goods before the festival itself?. Thank you.
