

Christmas Reading The Christmas Reading Challenge for 4-11 year olds is running again at North Yorkshire Libraries from Saturday 20th November. Children need to sign up at their local library and read four library books to complete the challenge. As a reward for their reading, children will be able to earn stickers, prizes and a certificate.

The nearest library to us where children can sign up for the challenge is **Nidderdale Plus Community Library**.

Children in Need Thank you for supporting this charity last Friday - we raised a magnificent **£97.03** which is a really great effort! The children had lots of dotty fun!

Thank you to Kris Klepajczuk Kris very kindly made some alterations to a door in school for us! Thank you so much as what was meant to be a quick job became quite a length ordeal! Thank you so much Kris!

Snack time Please make sure that you only send healthy snacks into school for morning break? We do not allow raisins or any nut products in school as they can be the cause of allergic reactions and all fruit must be cut into sizes that would not present a choking hazard - e.g cutting grapes lengthways not widthways! Thank you.

And finally...as covid case rates in England are now highest among children aged 5 - 9, please can you be ever vigilant that if your children show any symptoms then they remain at home until you have carried out a PCR test. If cases continue to rise we may have to re-think some of our Christmas arrangements. Thank you.

19/11/21 - Children in Need Day
