

Another eventful week... Well, I am relieved to say that our week has been a lot quieter than what's been happening nationally! Thankfully any cases of covid 19 that we have been made aware of have been picked up early by parents and the right steps to mitigate further infections have been taken. Thank you so much for all your support in this - hopefully like me and the rest of the school community there is a growing swell of optimism, long may it last! From Monday 17th January self isolation for those with covid 19 can end after five full days if they test negative on both day 5 and day 6 and do not have a temperature.

Since new year the children have returned to school full of enthusiasm and are working really hard in all classes. We are immensely proud of them

and it is really good to be getting back to some form of normality. We are already getting visits and visitors booked in for the year ahead which is really exciting.

And finally... Please be aware that we do not allow dogs on the school grounds at any time during the school day. Thank you.
