

Summer Fair Thank you so much to the PTFA and all the parents, children and staff who helped make our fair such a success! It was such a lovely evening and so nice to be altogether after so long!

Sports Afternoon We will be holding our sports afternoon tomorrow at the Max Pullen Playing Fields in Dacre Banks. We will start promptly at 1.30pm so if you are coming to watch, please make sure you are there in good time. Please can spectators sit along the wall side facing into the field as we have done in previous years? At the end of the afternoon, parents who are there can take their children home and we will bring the remaining children back to school. Thank you.

Bikeability Well done to 3 of our Year 6 children who completed their Level 1 and 2 Bikeability Training last week. Dave the trainer, said they were really impressive and very polite!

During these mornings all the children move to their respective classes from September 2022 and spend the morning within the new class structures. Next year, the children will be taught as follows:

Class 1 (Reception and Year 1 - 16 children) taught by Miss Barnes; **Class 2** (Year 2, 3 and 4 - 28 children) taught by Miss Cameron; **Class 3** (Year 5 and 6 - 25 children) taught by Mr Corner.

Theatre Club Those parents of children who have been taking part in Theatre Club will have received letters last week inviting you to attend the performance at Harrogate Theatre on Tuesday 12th July. Please can you let the school office know if you are planning on attending by returning the slip that was on the bottom of the letter? The children will need to be collected from the theatre as there will no transport back to Summerbridge. Thank you.

And finally...last week we had a visit from the library service who promoted the Summer Reading Challenge. See below:

Get inventive with the Summer Reading Challenge 2022!

Children can once again sign up for the Summer Reading Challenge at their local library during the holidays. This year the theme is Gadgets & Tees and is all about getting creative with science and inventions.

The challenge for children is to read 6 library books of their choice and collect special stickers and other prizes along the way – everyone who finishes will receive a limited edition Gadgets & Tees medal and a certificate. Any child aged 4 to 11 can join in and the challenge runs from Sat 16th July until Sat 10th Sept.
