Reports You will have received your child's report via email earlier today. If you would like to speak to your child's class teacher regarding anything within the report, please contact them directly and they will arrange a time to

meet with you either in person or via zoom. Thank you.

Weather Warning As the temperatures soar next week please ensure that your children come to school wearing sun cream and that they have a hat. The children will remain inside to avoid excessive exposure to the heat so please also make sure that they have full water bottles. Thank you.

Building Work Next week we will be having the corner block in the lower playground dismantled so please access school through the front door. Thank you.

'Stig of the Dump' Due to the unprecedented heat expected on Tuesday we have re-scheduled the performance and it will now be on **Thursday morning at 10am**. Tickets will be **£2 per person, payable on the door**.

And finally... unfortunately there will be no swimming on Monday. I apologise for the inconvenience and disappointment this may cause.
