

Congratulations Millie and Daniel

Our two new ambassadors for this academic year are Millie and Daniel. I am sure you will agree that they will be excellent representatives for our school and I look forward to seeing how well they fulfil this highly sort after role!

PTA Meet and Greet Thank you to the PTA for hosting yesterday's 'Meet and Greet' afternoon. I hope you enjoyed meeting up with parents after the summer break.

Swimming for Y5 and 6 Our first lesson of the new school year is on

Monday 18th September. All children have to swim during these sessions as the lessons form part of the statutory physical activity that children at key Stage 2 have to undertake per week.

Dick Whittington We have booked the pantomime at Harrogate Theatre on the afternoon of Thursday 30th November. Please log on to Parentpay to give consent for this visit and to pay. Thank you.

Reception Baseline Assessment Every year, children new to reception have to complete an assessment so that teaching staff can determine what standard they are working at, at the beginning of their formal education. This is so schools can measure the progress the children make as they move through their first year at school and on into Key Stage 1 and Key Stage 2. Schools have to complete these assessments early in the Autumn term within a set time frame. Our children will be completing their assessments next week and although they are formal, national statutory assessments they are not upsetting or stressful for the children in anyway.
