

We would like to support Saint Michael's Hospice and would like the children to come to school dressed in purple on Friday 13th October. Please can the children bring £1 on the day which we can then donate to this worthwhile cause.

- 5 Sep - Children back to school
- 11 Sep - Swimming starts for Wiharfe Class
- 18 Oct - Full Governing Body Meeting
- 27 Oct - Break up
- 6 Nov - Return to school

Attendance A priority of the school this academic year is to improve our

average attendance. The DfE recognise 95% as the benchmark for good attendance and as you will see in the table below our attendance and particularly girl's attendance falls significantly short of this. Once individual attendance drops below 90%, this is classed as 'Persistent Absence' and further action would be taken by school. Please make every effort to maintain high attendance this year. Thank you.

Nidderdale Show If you planning on visiting Nidderdale Show on Sunday then I hope you have a safe and super time! The forecast looks a bit dodgy so I hope you manage to stay dry!

And finally...Radley Club's newest member will be competing in the Nidderdale Show's scarecrow competition. Good luck! Thank you Helen for organising!
