

North Yorkshire's education, health and social care services are being jointly inspected by Ofsted and the Care Quality Commission (CQC) to see how well they meet their responsibilities towards children and young people with SEN and disabilities (SEND). They would like to hear your views about the support that your child/young person receives and how it has helped your child. You can provide your views by completing an online survey. What you share will be treated in confidence:

PTFA meeting At the PTFA meeting earlier this week one of the agenda items which was discussed was the constitution of the committee. It was decided that rather than have a few people in key roles we would create a few more so that the jobs can be distributed more fairly. We will continue to have a chair, secretary and treasurer but we would also like to have a communications officer, a compliance officer and an events officer. If you have any 'expertise' or even an interest in any of these roles then please do get in touch with school or our current chair, Lucy Martin. Thank you.

Parents Evening next week After School Radley Club will run until 5.30pm as normal next week during our Parent's Evenings. Please book your child into the club if you require supervision during your appointments.

Rural Schools Concert Luxury Hamper Our Luxury Hamper is coming together nicely but we could still do with a few more items so please do consider making a donation if at all possible. Thank you so much.

And finally...there will be no After School Radley Club on 8th May due to whole staff First Aid Training. I am sorry for any inconvenience this may cause.
