**Parents Evening** Thank you to all the parents who have attended meetings this week. We appreciate that 10 minutes is not a long time when it comes to discussing how well your children are progressing but I hope you got a useful insight into how they are doing.

**Thank you so much Simon Vernon** Through work, Simon has very kindly been able to donate a suite of laptops to the federation. We really can't thank you enough!

**Rural Schools Concert** I hope the children and those parents who attended the concert last night had a great time. It is always nerve wracking performing on such an occasion but hopefully

Our whole school theme this half term is 'Changes in History'

the experience and thrill overcame the nerves and the evening was memorable. Thank you for the hamper too! Amazing job!

**And finally...**there will be no After School Club on 8th May due to whole staff First Aid Training. I am sorry for any inconvenience this may cause.
