

SATs week Well done to our Year 6 children who completed their end of Key Stage 2 tests without any upset this week.

I am really proud of how you applied yourselves during the tests and hope that your results are worthy of your efforts!

Water Safety With the onset of warmer weather and the proximity of the school to the river, can I please remind parents that their children must not go near the river unaccompanied? The

temptation for a cooling dip in the Nidd could easily end in tragedy so please do everything that you can to keep your children safe and reinforce the school's messages about safety and risky behaviour. Thank you.

13-17 May - SATs week

16 May - Dogs Trust Visit

21 May - Road Safety assembly

24 May - Break up

4 Jun - Back to school

Dog's Trust Visit

We had a very informative visit from the Dog's Trust yesterday. The children were taught about dogs and how we as humans, should behave around them to keep ourselves, and dogs safe. The children, many of whom have dogs, listened very carefully and took part in the many scenarios that were presented to them really well.

And finally...next week looks like another busy week; we break up on Friday 24th May for a weeks break, **returning on Tuesday 4th June.**
