For a number of years our children have had access to Times Table Rockstars, Numbots and Reading Plus. These are all online resources which are accessible for all and make a huge difference to our children's reading and multiplication ability. We have not made enough use of these resources in the past and I am asking you to encourage your children to spend time every day on these fun, yet educational platforms. Regular use of them really does make a difference in a child-friendly and effective way. Thank you!

**Don't forget its swimming for Willow Class on Monday!**

**Parents' Evening** Thank you to all those parents who attended Parents Evening this week. I hope you found the meetings useful.

**And finally...** We are aware that more and more children are having doctors appointments during school hours. I know it is difficult, but please if at all possible can you try and get appointments outside of school hours to avoid disruption to the children's learning. If you do have an appointment in school hours please email a copy of the appointment to the school office so we can add it to the school attendance records. Thank you.

Please note a change to our Parent Pop Ins and Sharing Assemblies. They will be as follows this term: **Sharing Assembly is on the 11th March** and a **Parent Pop In is on the 1st April**. Thank you.

**This half term our whole school topic is: 'Ancient Civilisations'**
