

Weather Warning We are forecast to have some significantly stormy weather over the next few days and as such the children have been kept indoors today due to the high wind. I hope you and your property manage to stay safe this weekend.

What is **safeguarding**?

Safeguarding ensures that every child, regardless of their age, disability, gender reassignment, race, religion or belief, sex, or sexual orientation, has a right to equal protection from harm. It's the steps that people take to protect children and vulnerable people from harm.

14 Jan - Parents Evening 4 - 6pm

16 Jan - Parents Evening 4 - 6pm

14 Feb - Break up

24 Feb - Training Day

25 Feb - Children return and Young Voices

Examples of safeguarding concerns to look out for:

Physical

A group of children pushing or hitting a smaller child when an adult isn't looking.

Emotional

A crying child running towards their parent who responds in a harsh manner using inappropriate language.

Sexual

A teenage girl walking home being catcalled and harassed, or being touched without consent.

Neglect

A child wearing the same dirty clothes every day and stealing food from other children.

How can you help?

If you ever see anything happen to a child that makes you feel uncomfortable, please let your safeguarding lead / person know. You're not causing problems – you could save a child from unnecessary harm.

Any one of these things might not mean anything, but if your safeguarding lead / person isn't told, they can't help.
