

Social Media Unfortunately the inappropriate use of social media has once again caused upset amongst some of our older children this week. I cannot implore of you any more than I already have, about the importance of only allowing your children to access age appropriate content online and this includes social media as well as online gaming. Children of primary school age do not have the maturity or resilience to deal with content of a more adult nature and that is why there are strict age limits. Please do not allow your children access to content that is not age appropriate as it is often staff at school who are left dealing with the consequences. To find out more about keeping your children safe online, follow this link:

Sharing Assembly It was lovely to see so many of you in school on Tuesday. Thank you for taking the time to come and see us!

Class Arrangements for September 2025 We are fortunate enough to be able to continue to operate with four class from September although there is a change to the class make up due to year group sizes:

Saplings Class: Nursery 1 and Nursery 2 children taught by Pre-school staff

Rowan Class: Reception, Year 1 and 2 children taught by Miss Robertson and Miss Barnes

Oak Class: Year 3 and 4 children taught by Miss Cameron

Willow Class: Year 5 and 6 children taught by a teacher new to the school

And finally...It is Comic Relief Day on Friday 21st March and I would like to invite the children to come to school in red clothes in exchange for a £1 donation for this worthy charity. Thank you.
