Sunshine at last It was so nice to see some sunshine this week and even nicer to see our children enjoying it! Our pre-school children had a 'wheelie' good time on Thursday!

Good Manners Matter All the grown ups in school have noticed how well mannered and polite our children are becoming - they always say please and thank you and are really developing those crucial social skills of courtesy, respect and humility!

And finally... Don't forget it is Sharing Assembly on Tuesday next week - please come along from 2.45pm to find out what the children have been learning about. The assembly will begin at 3pm.
