Break up

Marrick Visit We have had a wonderful time at Marrick this week. The children have experienced such a lot in a relatively short time and learnt lots of key skills such as communication, teamwork, resilience and perseverance. The Marrick staff made a point of telling me how polite the children were which was really pleasing to hear!

Reports You will receive your child's annual report today via email. If you would like to discuss any specific areas contained within the report, please contact your child's class teacher. Thank you.

Federation Fun Day We are looking forward to Monday's Federation Fun Day. Please make sure your children are at the Max Pullan Playing Fields on Monday morning by 9am. Thank you.

And finally... We have a really busy last week of term and break up next Friday, returning to school on Tuesday 2nd September.

This half term our whole school topic is: 'Physical Features of our World'
