Sponsored walk Our active week didn't end with sportsday - a great big **well done** to everyone today for their efforts on our sponsored walk.

Marrick Priory We are looking forward to next week's Y5/6 residential. We will be leaving on Monday and returning on Thursday. Please don't forget to send any medication into school with the children on Monday. You will need to complete an authorisation to administer medication form so please allow a little extra time for this. (Teddies are permitted).

Miss Robertson You will have noticed that Miss Robertson from Rowan Class has not been in school recently. She very tragically has had a close family bereavement and will not be back to school this academic year. Our sympathies go out to her; this was certainly not the end of the school year that she anticipated.

And finally Despite some recent very positive comments from parents, a number of parents have raised concerns with me about a minority of children whose behaviour is not meeting our school's expectations. Unfortunately, instances of pupils speaking unkindly to one another and being disrespectful do happen in schools, and here at Summerbridge we are no exception. However, there is no excuse for our pupils choosing to be rude. We work hard at following the Fundamental British Values, two of which are **Mutual Respect** and **Tolerance**, and hope that **all** members of the school community abide by them. Disrespect shown to fellow pupils or staff members will not be tolerated.
