

Congratulations to James and Tilly who are our school ambassadors for this academic year. We are sure you will do a tremendous job!

Unless you have got your dog with you, please make sure that you actually come into the front garden to receive your child at the end of the day. This is to ensure that children and parents can see each other before we release the children and to avoid confusion at the end of the school day. It will also reduce the congestion at the school entrance and overcrowding on the pavements immediately outside of the school entrance. Thank you!

And finally...Year 5 and 6 Residential Today, parents of pupils in Willow Class (Y5/6) will receive a letter regarding next summers residential visit. As you are aware, we alternate between Marrick Priory Outdoor Education Centre and a city destination. Next summer we will be visiting Manchester for three days and two nights. This is a brilliant opportunity for our older children to experience city life and all the rich cultural experiences that living in a large city can offer.

This half term our whole school topic is: 'Rulers and Society'
