And finally...Punctuality Our children's attendance is generally very good but I have noticed that a few of our children are arriving a little bit late and often after the front door has closed. Can I remind you that the front door opens at 8.50am and closes at 8.55am? This means that the children are in class at 8.55am, the register taken and learning can begin at 9am. A number of children arrive after this time and this is disruptive not only for them but also for the children who have already started their work and for the teachers who have to then re-explain the tasks that have already started. As a parent myself, I know that the morning routine can throw up all sorts of delays but please make a concerted effort to get your child here and ready to come into school at 8.50am. Thank you for your support in this.
