

HELP ME LEARN
KEEP ME SAFE
MAKE ME HAPPY

30th January 2026

Dive Into a book As 2026 is the Year of Reading we are really pushing reading for pleasure with our children. A lot of the work that we do in school relates to the joy of reading and the simple pleasure of curling up with a good book. We have already set about improving our library and getting rid of old books and replacing them with new ones. The school council are busy working on book related ideas and of course we are looking forward to World Book Day on Thursday 5th March 2026. I would like to further celebrate reading by inviting the children to take part in my "Ten Book Challenge". I am inviting children to either read 10 books or have 10 books read to them between now and the end of the summer term. (Books need to be over 50 pages to qualify!) Please find below a chart that the children can complete over

the next few months and if they manage to complete it, they will receive a special certificate and prize! (There's also some hard copies of the chart available in school if you'd prefer!)

9 Feb - TTRS Day
11 Feb - Parent Pop In
13 Feb - Break up
23 Feb - Training Day
24 Feb - Children return
