Sexual
Orientation

Gender
Identity

Race

Pregnancy
and Maternity

Religion
or Belief

Parents' Evening I hope you had informative meetings with your children's class teachers this week. Please do get in touch if there is anything further that you would like to discuss with them as I do appreciate that 10 minutes goes by in a flash.

Protected Characteristics An aspect of the PSHE curriculum is to develop in our children an awareness and understanding of equity and equality in today's society. Treating people equally and fairly are the foundations on which society thrives and not doing this is a breach of what we refer to as 'Protected Characteristics'. In school, we are teaching the children about these characteristics and they are very knowledgeable already but I wanted to share with you a copy of the posters that are all around school so that if they ask you any questions, you know where they have come from!

**COMIC
RELIEF**

Comic Relief Day is on Friday 20th March and to celebrate this, we would like the children to come to school wearing something red and to bring a £1 donation for this worthwhile charity.

Heli-Hop Challenge 25th March The children will have brought home a sponsor form earlier this week and this is for us to raise money for Yorkshire Air Ambulance. We had a really inspiring assembly this week delivered by one of the YAA volunteers and the children listened so carefully to what was being explained. Did you know that we actually have three Yorkshire Ambulances in Yorkshire? They are called out on average 4 - 5 times a day; they can fly at 160mph and they can reach a casualty anywhere in Yorkshire within 20 minutes?!

And finally Thank you to the PTFA who have provided Mother's Day gifts. The children will be bringing them home tonight so please check their bags!

Have a lovely weekend!

This half term our whole school topic is: 'Weather and Climate'

EGG DECORATING AND EGG ROLLING COMPETITION

LOOK AFTER OUR PLANET

Judging will take place on the morning
of Thursday 26th March at 9.15am

Please bring your entries into the hall on
Thursday morning where they will be
placed in year groups for judging.

Egg rolling will begin in the playground at
2pm for pre-school followed by the rest
of the school at 2.30pm on Thursday
26th March.

Children will also need to bring a
hard-boiled egg into school
for this event!
