13 Apr - Return to school

Parents' Evenings We are looking forward welcoming you to school next week for parent evenings. This is an opportunity for you to meet with your child's class teacher and to have a look at the work that your children have completed so far this academic year. Books will be available in the school hall so please allow a little time before your actual appointment time to come in, take a seat and have a look at what the children have been up to. Your child's class teacher will then come and collect you from the hall when it is your appointment time. Children are welcome to join you for these meetings. Please limit your time with the teacher to 10 minutes for the sake of those parents with later appointments. Thank you.

Comic Relief Day... is on Friday 20th March and to celebrate this, we would like the children to come to school wearing something red and to bring a £1 donation for this worthwhile charity.

And finally... I would like to invite the children to decorate a boiled egg with the theme "Look after our planet". This is an opportunity to get their creative juices flowing and to create a spectacular display of environmental knowledge! (Lynda has suggested that this will be the focus of afterschool club on Tuesday 24th March if you are struggling to find the time at home)

This half term our whole school topic is: 'Weather and Climate'

EGG DECORATING COMPETITION
