Sponsored Walk Well done to all the children who braved the sunshine, showers and windy weather and completed our sponsored walk challenge! The older children managed to get all the way to Glasshouses Dam (12 miles) and our youngest children got to Dacre Banks Playing fields (5 miles). It was a great effort by all of you!

Summer Fair We are looking forward to next Thursday and welcoming you to our Summer Fair which is 4pm - 5.30pm. Hopefully the weather will improve and we will have another great afternoon!

Science Week Next week we will be completing lots of science based activities in school in recognition of science week so if the children come home full of scientific facts, don't be surprised!

And finally...well done to Year 1 who completed their phonics screening checks this week.

This half term our whole school topic is: 'The Wider World'
