

12th June 2026

Molly Well done Molly - she's only gone and done it!

Molly is quite a modest little girl but would love for me to share with you that she recently became a Tap champion of champions at a recent Grand Final championship. She has also just qualified at a regional All England Dance final to go down to Eastbourne to compete in the national finals. She won Gold in her age section in Tap dance in the all England tournament during the half term. Wow! What an achievement!

Sports Afternoon We are looking forward to sports afternoon next Wednesday afternoon at the Max Pullen Playing Fields. We aim to start at 1.30pm so please arrive by 1.15pm and position yourselves next to the running track so you can watch the events from there. Thank you.

Year 2/3 Job interviews are next Tuesday at school and I will keep you posted of the outcome!

And finally...We will be completing our sponsored walk on Friday 19th and you will have received information regarding this earlier this week. If any parents are free to join us on that day, please let us know! Thank you.

Have a great weekend!

2 Jun -
