

**Summer Fair** Thank you to the PTFA for a fabulous summer fair yesterday. The rain held off and most of us managed to stay dry! We had a lovely afternoon - the stalls, the BBQ, the help and the atmosphere all made for a special time together.

**Science Week** This week we have completed lots of science activities as part of science week. Thank you Mrs Goodwin for planning it for us - a real success! Thank you also to Chris Hambly and Richard Martin who visited school earlier this week and shared their scientific jobs with the children - you were brilliant - thank you.

The school council have launched a poster competition based on science week and the theme is: 'Curiosity: What's your question' to ask and answer a science question. Please can all entries be handed in by next Friday.

**And finally...**we have a really busy week next week; not only do we have three school trips to look forward to, we also have the results of the Year 4 MTTC which are released on Monday.

**Have a super weekend and  
enjoy the weather whatever  
you get up to!**

**This half term our whole school topic is: 'The Wider World'**
