

Yorkshire Wildlife Park We had a wonderful visit to the Yorkshire Wildlife Park on Wednesday of this week. Although it was roasting, it was great to see the animals and we all really enjoyed it!

Crucial Crew Our Year 6 children enjoyed a visit to Crucial Crew yesterday learning about scenarios that they may experience as they get older. I hope they learnt some valuable lessons!

Bradford Visit Children from Key Stage 2 had a great day today learning about different faiths by visiting different places of worship in Bradford. This was a great opportunity for us to broaden our understanding of the wider world linked to the fundamental British values of tolerance and mutual respect.

Please note that next week's planned sharing assembly has had to be cancelled. Apologies for any inconvenience caused.

This half term our whole school topic is: 'The Wider World'

Thank you to the PTFA for hosting such a lovely summer fair yesterday - it was a lovely afternoon / evening.
