

Welcome back! I hope you all had a good half term and enjoyed the lovely weather.

Science Week As part of this terms Science week (15th- 19 June), we're hoping to raise the profile of future job opportunities involving Science. If you're a parent who works in STEM and would be able to come into school at some point that week to talk about your job and take questions from the children (approx an hr of your time), please email Mrs Goodwin:

dgoodwin.darley@ycatschools.co.uk Any offers of help are very welcome.

2 June -
Children
return

15 June -
Science
Week

18 June -
Summer Fair
4 - 5.30pm

25 Jun - Y6
Crucial Crew

26 Jun - KS2
Trip to
Bradford

Goodbye Miss Cameron After 8 amazing years, Miss Cameron will be leaving us at the end of this term. She has secured a teaching post in a special school in Leeds and will be starting there in September. We wish her all the very best and offer our tremendous thanks for everything that she has done for all the children for the best part of the last decade! Thank you so much Aileen - we will miss you!

From September, we will have a new SENCO in place. Mrs Anna Baldini is the experienced SENCO at Bilton Grange Primary School and will also be ours from the new academic year. Mrs Baldini will work across our federation for one day a

week. We have already started the process of information sharing with Mrs Baldini and as we use the same systems across the trust, I believe Mrs Baldini will quickly get up to speed with the provision we have in place for our children with SEND. We have also advertised (and already received numerous applications) for the role of class teacher and am looking forward to appointing Miss Cameron's successor. I will of course keep you posted regarding this appointment.

And finally... Well done to our KS2 children who attended the Brownlee Mini Triathlon today! I'm glad you had a such a great afternoon.

Next half term our whole school topic is: 'The Wider World'

Online Safety Information Evening

All parents from YCAT schools are warmly invited to attend this online information session, led by PCSO Martin Powell on:

Thursday 11th June
6:00 – 7:00 PM

Come along to learn about:

- Keeping children safe online
 - Understanding apps, games and social media
 - Practical advice for parents
